

What would it mean for the diaspora if an African country existed with **incredible wealth**, **hyper-advanced technology**, and **never having been impacted by colonialism**?

This is the central premise of the blockbuster film **Black Panther**, which has already **exceeded \$1 billion** in worldwide ticket sales.

Join us for a panel discussion entitled

WAKANDA FOREVER

Bermuda, *Black Panther* and the Rise of Afrofuturism

Moderated by

Dr. Kim Dismont Robinson
